# Durham College Diploma to degree programs

Diploma to degree programs and transfer agreements between Durham College and a number of universities facilitate admission for Durham College graduates from specific programs by giving credit for college study. Graduates may receive credit for several courses or for a year or more toward a university degree. Relevant programs are detailed on the chart below. Durham College endeavors to ensure the accuracy of each transfer opportunity however, from time to time, changes may occur in program offerings,

admission requirements and transfer credits. Interested students are encouraged to consult with the Admissions office of each receiving institution. Additional diploma to degree opportunities and information on collaborative programs, articulation agreements and credit transfers between Ontario universities and colleges is available on the Ontario College University Transfer Guide website at [www.ocutg.on.ca](http://www.ocutg.on.ca) or at [www.durhamcollege.ca/transferguide](http://www.durhamcollege.ca/transferguide).
