

SUMMER CAMPS 2014

DURHAM COLLEGE
SUCCESS MATTERS
Continuing Education

BEFORE/AFTER
CARE AND LUNCH
PLANS AVAILABLE

Monday - Friday | 9 a.m. - 3 p.m. | Cost: \$239

Art

CAMP 1914 | Ages 9 - 14

You will create inspired pieces, paint to music, sculpt with found objects and explore a variety of techniques and mediums in art making. At the end of the week, you will participate in an art show to showcase your creations! All art campers will be eligible to win a gift certificate from Curry's in Whitby.

Cooking

CAMP 1901 | Ages 10 - 13
9 a.m. - 4 p.m.

Make this summer sizzle at Durham College! Learn from real chefs what it takes to make mealtime magic. Come cook with us and make tasty midday meals, and sweet treats to take home and share. We have the ingredients, you bring the imagination! At the end of the week, invite your family and friends to sample your creations and show off your culinary masterpieces. **Parents, please note:** We will be working in a kitchen where allergens such as nuts, dairy, soy, shellfish and gluten are regularly used. If your child has severe food allergies, please be aware that we cannot guarantee zero contact with allergens. This camp will be held at Durham College's new Centre for Food, Whitby Campus.

Drama

CAMP 1902 | Ages 9 - 14

Do you have a flair for the theatre? Then come and let your imagination soar! In this camp you will develop skills in voice, movement, improvisation, teamwork and confidence! You will participate in group activities where everyone can share their own personality and ideas. You will play games, sing songs, and create your own props and costumes! At the end of the week, you will participate in a performance for family and friends!

Movie Making

CAMP 1912 | Ages 9 - 14

Create a short feature movie by using your digital camera. You will learn what's involved in movie production, sound, lighting, how to write a storyboard/script and put the final production together. Your point and shoot or DSLR camera must have movie mode for this camp.

Photography

CAMP 1910 | Ages: 9 - 14

Improve your picture taking in a fun-filled atmosphere. We will teach you the basics of photography and show you how to properly use your camera. This camp is suitable for both point and shoot, and digital SLR (DSLR) cameras.

Sewing

CAMP 1913 | Ages: 9 - 14

Are you ready to express your creativity? Learn how to use a sewing machine, follow instructions, and use basic sewing tools/patterns. At the end of the week, you will participate in a "Fashion Show" to show off your creative designs! Sewing machines will be provided. No previous sewing experience is required.

SUMMER CAMPS 2014

BEFORE/AFTER
CARE AND LUNCH
PLANS AVAILABLE

Durham College Summer Camps has partnered with Bricks 4 Kidz™ to offer these amazingly creative and educational camps!

LEGO® Amusement Park / Model Designer Camp

CAMP 1916 | Ages: 7 - 12

Campers will build a new amusement park ride each morning, learning how to make things spin, roll, turn and rock. Then they will take what they have learned to design their own thrills and challenges. Motorized models maximize the action and the fun. Each morning includes carnival themed games, group challenges, model-building and more. After lunch, we will explore the creative process of model design. Campers will learn the function of different LEGO® components and discover how those components can work together to create all kinds of solid structures and moving parts. At the completion of the camp, each child will have the opportunity to present his or her own design.

LEGO® is a registered trademark of the LEGO® Group of companies which does not sponsor, authorize or endorse these programs.

LEGO® Mining and Crafting / Remote Control Camp

CAMP 1917 | Ages: 7 - 12

Each morning, campers will face challenges building models and crafting new key elements similar to the popular Minecraft™ game. Campers will start by crafting their shelters and some of the mobs, critters and tools using LEGO® bricks. After lunch, making it move is the name of the game! Kids will love to see their creations in motion using LEGO® wireless remote controls. Campers will use fascinating and challenging LEGO® components to create dynamic vehicles, inventions, machines and more.

LEGO® Extreme Expedition / Animal Grossology Camp

CAMP 1918 | Ages: 7 - 12

Do you have what it takes? Come find out! Form a team to complete our exciting LEGO® version of the amazing race! Search the globe for bricks and other resources needed to construct a base camp in the Himalayan Mountains. Each morning campers will encounter Worst Case Scenario survival challenges, face obstacles and forces of nature as you construct transportation equipment to bring your team together. Spend the afternoons discovering the zany biology of our animal friends. We'll explore fascinating facts about the animal kingdom, focusing on a "creature of the day". Build a different animal model each day and fill your very own "Animal Grossology" booklet with crazy and cool facts you learn, complete with a picture of each model.

LEGO® Comic Creator / Stop Motion Movie Camp

CAMP 1919 | Ages: 7 - 12

In this unique camp, kids will combine comic book creation with stop motion movie making! Explore the artistic form of comic book design as you learn to create your personalized edition. Create your own characters, develop story lines and incorporate pictures of actual sets, all designed with LEGO® Bricks! Along with honing your story telling skills, this camp is sure to take your imagination to the next level. Working as a team, campers will then use LEGO® components to build sets and props and then shoot their movie using a digital camera. Teams will use movie-making software to add special effects, titles, credits and more.
