

Welcome to your future

OSHAWA, ONTARIO, CANADA –
Less than an hour from downtown Toronto

INTERNATIONAL VIEWBOOK 2014-2015

WWW.DURHAMCOLLEGE.CA

DURHAM COLLEGE

YOUR HOME AWAY FROM HOME

At Durham College we provide the best possible education to ensure students gain the most up-to-date skills during their time with us.

Close to 10,000 full-time students – including more than 350 international students – study at our Oshawa and Whitby campuses and Pickering Learning Site each year. Students learn new skills through a variety of full- and part-time, continuing education and career development programs in many areas including art, business, community services, culinary, design, emergency services, health, information technology, justice, renewable energy, science, hospitality, skilled trades, the environment and more.

We also offer a number of diploma-to-degree programs through agreements with many universities in Canada and around the world. These agreements allow you to complete your university degree in less than the traditional amount of time and/or earn a degree without repeating certain courses. We also offer numerous fast-track programs, to finish your diploma in only two semesters if you have the proper degree from an accredited university.

Whether you want to begin your career or further your studies, this viewbook will show you the many ways we can help make your dreams a reality.

STUDYING ABROAD

– THE CANADIAN EDUCATIONAL DIFFERENCE

Besides our country's geographical beauty and friendly citizens, here are five more great reasons to choose Canada as your educational destination:

1. Work while you learn...and after you graduate! While attending college in Canada, international students are permitted to work off-campus by applying for an Off-Campus Work Permit. After graduation, there is also the opportunity to apply for a Post-Graduation Work Permit to gain valuable work experience in Canada.
2. Lower tuition costs – our tuition rates are considerably lower than many other countries.
3. Home away from home – Canada is one of the world's most ethnically diverse countries and Durham College's campus is a quick train ride from Toronto, a cultural hotspot.
4. Peaceful, easy feeling – see for yourself why the 2012 Global Peace Index ranked Canada as the fourth-safest country in the world.
5. A perfect fit – our campuses offer a number of ways to get involved. Whether its participating in intramural or varsity sports or joining one of the many student clubs, you're sure to find your fit.

The student experience comes first

When it comes to the student experience, what happens outside the classroom is just as important as what happens inside. We are committed to attracting and retaining students who reflect our institutional values and the values of our campus community including the importance of respecting others and maintaining a positive relationship between students, faculty, staff, administration and the community.

Welcome to Canada!

Canada is consistently ranked by the United Nations as one of the world's top places to live and renowned for its friendly citizens. This North American country is represented by many different cultures and ethnic groups with a population of more than 35 million people. Located in the heart of Ontario, Durham College offers the opportunity to study, relax and enjoy Canada's most populous province.

In the centre of it all: Oshawa, Durham Region and the Greater Toronto Area

With campuses in Oshawa and Whitby and a learning site in Pickering, Durham College is situated in the centre of Durham Region offering sports, culture, education and music; provides easy access to Canada's leading business and cultural centre; and enables you to play cricket, ski, snowboard, hike, walk, bike, windsurf, sail, fish and more, all within 30 minutes of campus.

Durham Region borders on the Greater Toronto Area, with downtown Toronto just 45 minutes from our main Oshawa campus, providing easy accessibility to a wide variety of its own extracurricular and cultural experiences. Popular destinations include the CN Tower, the Toronto Zoo, the Royal Ontario Museum and the Ontario Science Centre.

If sports are your thing, you can catch a number of professional teams in action including :

- Toronto Maple Leafs hockey (NHL), Toronto Raptors basketball (NBA) and Toronto Rock lacrosse (NLL) at the Air Canada Centre
- Toronto Blue Jays baseball (MLB) and Toronto Argonauts football (CFL) at the Rogers Centre
- Toronto FC soccer (MLS) at BMO Field.

For more information about the region including activities, attractions, cultural groups, international dining and much more, please visit www.durhamimmigration.ca.

INTERNATIONAL OFFICE

– HERE FOR YOU EVERY STEP OF THE WAY

www.durhamcollege.ca/international

Located in the Student Services building, the International Office is focused on providing high-quality, dedicated services including:

- Front-line service for all aspects of the admissions process
- Several student services operations including financial issues, account balances, course changes and registration
- Hosting regular student activities including Conversation Circles (practising English)
- International student mentors to assist in adapting to a new culture and education system
- Managing academic records, credentials, transcripts and enrolment verification letters.

Arrival services

Starting with the moment you step off the plane, we are there to guide you through your new educational experience. Our college's mission is the student experience comes first, and we take that mission to heart. Our arrival services include:

- Airport pickup
- Temporary accommodation
- Long-term accommodation assistance.

International welcome orientation session

This orientation session is mandatory for all international students and gives you the opportunity to meet students from all over the world. Each student also receives a welcome package, featuring valuable college information including bus schedules and the International Student Handbook.

Orientation highlights:

- Tour the campus and get familiar with vital on-campus services
- Get your student ID and U-Pass (transit pass)
- Long-term accommodation assistance
- Important information on student health insurance, working in Canada, accommodation, climate, immigration and getting settled
- Academic information including mandatory Acculturation and Plagiarism workshops
- Lunch and snacks provided.

In addition, each academic school offers its own separate program orientation where you can:

- Meet your professors
- Learn what is expected of you academically
- Meet the student services team and discover a number of on-campus services
- Get your I heart DC t-shirt.

Advising

Support is available to all international students Monday to Friday from 8:30 a.m. to 4:30 p.m. This includes assistance with issues such as immigration, health insurance, referrals to on- and off-campus services, successful transitioning and more. To schedule a meeting with an international education officer please contact the International Office.

STUDENT SERVICES

Student Academic Learning Services (SALS)

This academic support centre provides:

- Peer Tutoring program
- Subject-specific and learning skills/strategies supports
- English as a second language instruction
- Writing skills instruction
- Study space and computer lab
- A variety of workshops including Avoiding Plagiarism and Acculturation
- Clinics and one-on-one consultations available upon request.

www.durhamcollege.ca/sals

Academic advisors

Each school provides a student advisor to help you reach your full academic potential. These representatives assist you with:

- Accessing other college services
- Developing academic plans to promote success and identifying career goals
- Finding equivalent credits
- Making decisions regarding full- and part-time studies including selecting electives
- Reviewing graduation requirements
- Transferring to another program (if necessary).

For a list of academic advisors, please visit www.durhamcollege.ca/academicadvising.

Research on campus

The Office of Research Services and Innovation, established in 2009, provides an important link to the community by conducting applied research designed to help local businesses and industry solve technical problems and become more competitive. Research teams, comprised of faculty experts and students, are formed to work with eligible companies through funding from the Colleges Ontario Network for Industry Innovation, Natural Sciences and Engineering Research Council of Canada and the Ontario Centres of Excellence.

Since April 2010, more than 200 students have participated in research on campus including research projects in:

- Advanced manufacturing
- Health and biomedical sciences
- Information and communication technology
- Renewable energy and sustainable technology
- Science and technology
- Social sciences and humanities.

For more information, please visit www.durhamcollege.ca/research.

Health Centre

- Provides the highest level of health care to students
- Located in the Campus Recreation and Wellness Centre
- Medical clinic staffed with doctors and nurses providing annual health exams; laboratory testing and screening; and immunizations and allergy injections
- Variety of health education services including books, pamphlets, bulletin boards, web resources and health newsletters
- Full-service pharmacy
- Chiropractic, massage therapy, acupuncture and reflexology alternative health services
- Counselling department can assess, refer and assist with relationship issues, family problems, stress and anxiety, depression and other personal problems
- Provides referrals to local resources.

www.durhamcollege.ca/healthcentre

Please note: medical insurance is included in your international student fees.

Campus Recreation and Wellness Centre (CRWC)

The CRWC offers many state-of-the-art features including:

- Five gymnasiums for basketball, volleyball, badminton and other indoor sports
- Large fitness centre featuring updated cardio equipment and free weights
- Three group fitness studios for aerobics, dance and spin classes
- Two squash courts
- An elevated, 200m indoor walking/jogging track overlooking the gymnasium
- An athletic therapy centre
- A multi-purpose lounge.

Can't get enough sports?

We offer:

- The Campus Ice Centre, with two ice pads
- The Campus Tennis Centre, open year-round with six clay tennis courts
- Softball and soccer fields
- Varsity sports including men's and women's basketball, soccer, volleyball and golf; men's baseball; and women's fastball.

Or join one of our many intramural sports teams to have fun and stay in shape, including:

- Basketball
- Cricket
- Ice and road hockey
- Indoor soccer
- Slo-pitch
- Touch football
- Volleyball.

www.campusrecreationcentre.com

Campus Library

The Campus Library offers a range of resources to support Durham College's programs and encourage lifelong learning.

Our library staff will gladly assist you with your research needs including offering workshops on various topics throughout the year. You are also welcome to contact our reference team in person, by phone or by email.

The library is located at the north end of the Oshawa campus near Polonsky Commons. It offers:

- 73,000 square feet of space with 160,000-volume book capacity
- 500 seats, 160 computers and 10 group study rooms
- Print and digital books, periodicals, newspapers, government documents and videos
- Adaptive/assistive technology room for special needs
- Open concept, two-floor fireplace reading room
- Special collections reading room/silent study room
- Starbucks café
- Two library orientation classrooms
- Wired and wireless environments
- Workshops throughout the year.

www.durhamcollege.ca/library

Please note: the Whitby campus has a library in the Learning Commons and, along with the Pickering Learning Site, also offers the majority of Oshawa campus library services.

Career Services

- Centres located at Oshawa and Whitby campuses
- Online Hire portal provides job listings, career tools and internship opportunities
- One-to-one advising services including career clarification and exploration; interviewing techniques and mock interviews; job search assistance; and resumé and cover letter reviews
- Post-graduation assistance (up to two years after graduating)
- On-campus employer recruiting events throughout the academic year.

Internship program (optional)

- Gain career-related work experience
- Paid employment to gain longer-term practical workplace experience in your field of study.
- Four, 12 or 16 months in length depending on employer requirements
- Students participate in the Internship program prior to their final year of study.

www.durhamcollege.ca/careerservices

Campus Safety

The Office of Campus Safety is committed to protecting the rights of everyone on campus while providing a professional, respectful and safe campus environment.

Office of Campus Safety departments:

- Campus ID
- Campus Security
- Student Rights and Responsibilities.

Working with our community partners, the office aims to prevent crime and solve problems that could impact students, faculty, staff and the community. The value of respect for others is promoted along with the belief that safety and security is the responsibility of everyone on campus.

www.durhamcollege.ca/campussafety

Student Association (SA)

The SA plays an active and important role in the interest of all students and supports and funds more than 70 student clubs and seven societies on campus that represent a world of diversity at Durham College and offer opportunities to develop leadership skills while socializing. These include:

- Separate student associations/clubs for Afghan, African, Bengali, Caribbean, Chinese, Indian, Hellenic (Greek), Hindu Yuva, Islamic, Korean, Masri (Egyptian), Muslim, Pakistan, Punjabi and Sikh students
- The International Student Club
- A variety of sports and hobbies clubs including Anime On Campus, Badminton, Computer Science, Drama, Environmental, Healthy Living, Model United Nations and many more.

In addition, each society (one for each academic school) offers recreational, educational and social activities.

The SA also holds numerous on- and off-campus events and is responsible for a wide range of services for students including:

- Campus Emergency Response Team
- LGBTQ Centre and Pride Committee
- Sexual Health Resource Centre
- Students for Equal Access
- Student health insurance plan
- Convenience store
- Women's Centre.

www.your-sa.ca

www.your-sa.ca/services-section/womens-centre/

Riot Radio

Riot Radio, an Internet-based, visual-radio station, is a service of the SA. Located in the Gordon Willey building, its full-time staff can train and guide you into on-air success while offering volunteer opportunities (by audition).

www.riotradio.ca

E.P. Taylor's Pub and Restaurant

One of the top campus pubs in Ontario, E.P. Taylor's Pub and Restaurant, serves drinks and great food, while hosting concerts, lunch and evening comedy shows, karaoke, battle of the bands and more.

Student Life office

Durham College's Student Life office offers a number of services designed to support your academic success and help you enjoy a well-balanced social and academic experience.

This includes a number of opportunities to enhance your leadership skills and become actively involved in student life. The DC Crew receives specialized training in leadership, team building and event planning while assisting with various

on-campus events. Students can also participate in the Co-curricular Recognition program which recognizes participation and leadership in campus activities outside of the classroom and includes awards for your contributions (based on eligibility).

www.durhamcollege.ca/studentlife

If you are a first-year student, our co-ordinators will help ensure a smooth transition throughout your first year and provide a variety of services including e-mentoring; the Get Prepared for Success (GPS) transitional programming and Orientation Week programming.

www.durhamcollege.ca/firstyear

www.durhamcollege.ca/gps

Centre for Students with Disabilities (CSD)

The CSD is an on-campus service that ensures a fully accessible educational environment for students with a disability (blind/limited vision; deaf/hard of hearing; or physical, mental or learning disability). Please contact the CSD if you require special accommodations.

www.durhamcollege.ca/CSD

ON-CAMPUS ACCOMMODATION

We want you to have the best student experience possible and this includes guaranteeing you a room in our Simcoe or South Village residences if you meet the deadlines for accepting our offer of admission and applying to residence. You can apply online at www.durhamrez.ca. – it doesn't get any easier!

Simcoe Village

The Simcoe Village residence offers a choice between furnished double rooms that are semi-divided for privacy or furnished suites with two private bedrooms. Both include:

- Cable television
- Fridge and microwave
- Internet access
- Kitchenette
- Telephone
- Three-piece bathroom.

South Village

The South Village residence features a cafeteria, study and recreation areas and furnished, two-bedroom private suites that include:

- Cable television
- Fridge and microwave
- Internet access
- Kitchenette
- Telephone
- Three-piece bathroom.

www.durhamrez.ca

West Village residence

We also offer the West Village residence, featuring beautiful, apartment-style residence suites designed for students in their upper years of study. This residence offers controlled access, on-site management, security, on-site laundry, individually controlled air conditioning/heating and many social areas. Three and six bedroom units are available and both include five appliances, parking, networked Internet and large bedrooms with spacious closets.

For more information, visit <http://lpcorporrentals.com/oshawa/>

South Village suite model

If you would prefer to live off-campus, we can provide you with assistance with homestay, off-campus residence or shared housing. A Pre-Departure Kit will be sent to you after you have accepted your offer, outlining how to arrange for these off-campus accommodations.

DOLLARS AND SENSE

– HOW MUCH WILL IT COST?

Once you arrive in Canada, finances should be the least of your worries. It's important to know the costs and plan ahead so that you don't find yourself short of money while at school.

APPROXIMATE LIVING COSTS* FOR ONE MONTH IN OSHAWA, ONTARIO	
Off-campus housing/residence	\$400 to \$830 ¹
Food (\$100/week)	\$425
Textbooks and other supplies	\$500 (per semester)
Clothing	\$50
Entertainment	\$80
Miscellaneous	\$25
Transit pass	included in student fees
TOTAL:	\$955 TO \$1,385/MONTH

Additional costs to take into consideration include: laptop and computer software (if required by program: approx. \$1,200 to \$4,000); mobile phones; calling cards; extracurricular activities; winter clothing; travel home; and visa renewal fees.

** Note: costs are not guaranteed and vary according to each student's needs and spending habits.*

¹ Off-campus housing will require an initial deposit fee

Off-Campus Work Permit

All students should prepare to come to Durham College with enough money to finance their studies. However, should you find yourself wanting to enjoy things outside of your studies, you can earn some extra money through Citizenship and Immigration Canada's (CIC's) work program.

For more information, please visit www.cic.gc.ca/english/study/work.asp.

Laptop learning

Students enrolled in laptop programs enjoy an exceptional learning experience and gain the advanced technical skills and knowledge that employers look for in graduates.

How laptop learning works:

- Please see the Programs chart on pages 18 to 22 to see if your program requires a laptop computer.
- Check your specific program page at www.durhamcollege.ca/programs for hardware and software requirements.
- Buy your own laptop including all of the hardware and software requirements.

Note: some software may be included in tuition fees for some programs. Please ensure that you are required to buy software before making a purchase.

IN-DEMAND PROGRAMS

To succeed in the workplace you need skills, knowledge and confidence.

Our award-winning faculty stress the importance of academics and employment, and the faculty/student relationship is a unique combination of trust, knowledge, real-world experience and support.

In addition, many of our full-time programs offer work placement opportunities.

Be creative

We offer programs in the areas of graphic design, art, web design, advertising, media, communications, digital photography and video production, animation, music and more, enabling you to be creative, all the time.

Lend a helping hand

Our programs in the areas of health care, youth, children, therapy, communications, counselling and more will allow you to make a difference in the lives of others.

Get physical

For those with an interest in the areas of fitness, health, golf, recreation, leisure and sports, we suggest checking out our programs that will prepare you to impact your future clients and your community.

Business sense

The college's programs in entrepreneurship, business, accounting, marketing, operations, IT, office administration, human resources and more will allow you to improve the bottom line of businesses and organizations, helping them to deliver the best possible services.

Serve and protect

Our legal, emergency and court services, and youth and victim programs will enable you to play a key role in keeping our communities and citizens safe and happy.

Improving lives

We offer programs in the areas of food, agriculture, culinary, renewable energy, horticulture and hospitality that will establish your place within the changing landscape of today's economy, both inside and out.

Open the door to the future

If you're ready for the next step of post-secondary courses, but not sure which specialty you'd like to pursue, our general arts and science and academic upgrading programs will help you build a solid foundation of knowledge.

Working with your mind and your hands

Our programs in the areas of engineering, technology, electronics, skilled trades and more will challenge your mind and in some cases, your hands!

HOW TO APPLY

- 1 Select your program
- 2 Check entry requirements
- 3 Check pathway programs
- 4 Calculate your program costs
- 5 Submit your application
- 6 Accept your offer, prepare to travel

CHECK ENTRY REQUIREMENTS

Note: all applicants must meet all other entrance requirements for specific program applied to. Please visit your specific program page at www.durhamcollege.ca/programs for complete information regarding entrance requirements.

English language score requirements

IELTS: International English Language Testing Service

IBT TOEFL: Internet-based Test of English as a Foreign Language

ENTRANCE LANGUAGE SCORE REQUIREMENTS

Most one-year Ontario College Certificate programs	IELTS: 6.0, no band score less than 5.5 IBT TOEFL: 80, with minimum section score of 20
Most two-year Ontario College Diploma programs	
Most three-year Ontario College Advanced Diploma programs	
<p>One-year Ontario College Graduate Certificate and compressed, fast-track programs and the following diploma programs:</p> <ul style="list-style-type: none"> • Child and Youth Worker (compressed) • Dental Assisting (Levels I and II) • Dental Reception and Administration • Electrical Technician – Instrumentation and Control • Entrepreneurship and Small Business – Business (compressed) • Journalism – Print/Journalism – Print and Broadcast • Library and Information Technician • Music Business Management • Police Foundations • Public Relations • Social Service Worker • Sports Administration/Sport Management 	<p>IELTS: 6.5, no band score less than 6.0 IBT TOEFL: 88, with minimum section score of 22</p>
<p>Exceptions:</p> <ul style="list-style-type: none"> • Practical Nursing • Communicative Disorders Assistant (graduate certificate) <p><i>Please note: all applicants from India must submit an IELTS score (TOEFL will not be accepted). For more information on other English tests that may be accepted, please visit www.durhamcollege.ca/international.</i></p>	<p>IELTS: 7.0, with no band less than 6.5 TOEFL: 94 overall score, with minimum section score of 23</p>

Don't meet the English-language requirements?

In partnership with Durham College, CultureWorks is a private English-language training program located at the Oshawa campus.

Qualified students are offered conditional acceptance to post-secondary studies based on their successful completion of the program without any previous English proficiency test result(s).

For more information, please visit www.culture-works.com.

Durham College also recognizes the qualifications awarded by several English-language schools located off-campus.

For a list of these partner schools, please visit www.durhamcollege.ca/international-elt.

Durham College standard academic entry requirements by country

Applicants with a minimum of three years of secondary school or post-secondary studies in Canada, Australia, New Zealand, Singapore, United States, United Kingdom, some Caribbean* countries and select other countries will be exempted from TOEFL/IELTS requirements upon provision of a full transcript. Exceptions may apply; please contact the International Office for full details.

*Excluding international applicants from Cuba, Dominican Republic, Haiti and Puerto Rico

For any country not listed, please contact the International Office.

COUNTRY	QUALIFICATIONS**	FAST-TRACK OR POST-GRADUATE CERTIFICATE
B

CHECK PATHWAY PROGRAMS

Pathways to educational success

Not only does Durham College provide you with the foundational knowledge and practical skills required for career success, it also allows you to reach your educational goals of earning a university degree in less time and at less cost through established partnerships with universities within Canada and around the globe.

Whether you plan to leverage your college education by pursuing one of our 25 diploma-to-degree pathways with our campus partner, the University of Ontario Institute of Technology (UOIT), or if you're interested in studying elsewhere in Ontario, Canada, or abroad, there are a number of options available.

To learn more about established agreements for your program please visit www.durhamcollege.ca/transferguide.

4

CALCULATE YOUR PROGRAM COSTS

Please refer to the program chart on pages 18 to 22 for tuition and incidental fee costs. For living expenses, please refer to the table on page 14.

5

SUBMIT YOUR APPLICATION

Please complete and submit your application directly to the International Office. The application can be found at www.durhamcollege.ca/internationalapplication. Submit your completed application to internationalapplications@durhamcollege.ca.

Your application should include the following documents:

- Completed and signed student application form.
- Notarized/certified true copies of senior secondary school academic results (in English and original language).
- Notarized/certified true copies of post-secondary academic results, if applicable (in English and original language).
- IELTS or TOEFL test results or Grade 12 English credit from an Ontario secondary school.
- Portfolio of work if applying to the following programs: Animation – Digital Arts/Animation – Digital Production; Graphic Design; and VFX and Digital Cinema.
- Copy of your valid passport.

6

ACCEPT YOUR OFFER AND PREPARE TO TRAVEL

Receive and accept your offer

If your application is successful, you or your agent will receive a letter of acceptance from the International Office.

- To accept the offer, follow the instructions on the Confirmation Form on page 3 of the acceptance package by the deadline date.
- Pay your tuition fee, indicated on your invoice on page 2, by the deadline date.
- Durham College will issue you an official fee receipt once the confirmation form and fees have been received to include with your study permit application.
- If you plan to live in an on-campus residence, you must apply by June 2, 2014.

Prepare to travel

In order to apply for a program at Durham College, international students will need to obtain a Canadian visa and a study permit.

- To apply for a Canadian visa, visit the Citizenship and Immigration Canada webpage at: www.cic.gc.ca/English/information/offices/applywhere.asp.
- To learn how to apply for a Canadian study permit, please visit: <http://www.cic.gc.ca/english/study/study.asp>

You will also receive a Pre-Departure Kit electronically that will give you information on what you need to do to prepare yourself for travel to Canada to begin your studies.

This kit includes:

- Important dates for new international students including your compulsory International Student Welcome Orientation session.
- How to register for your timetable.
- Arrival services information (i.e. how to book airport pickup, short- and long-term accommodation options, etc.).
- What to pack and bring with you to Canada.

CAMPUS LOCATIONS

Campus Library

Centre for Food (CFF)

Student Services building

Oshawa campus

- Award-winning Campus Library
- Integrated Manufacturing Centre
- Centre for Integrated Justice Studies
- Leading-edge biotechnology and nursing labs
- Campus Recreation and Wellness Centre and Health Centre.

A state-of-the-art Student Services building featuring a wide range of student services is also located at the Oshawa campus.

The building includes:

- International Office
- Admissions and Recruitment office
- Registration and Records
- Career Services
- Student Academic Learning Services
- Student Life.

Pickering Learning Site

- Collaborative learning centre offers four graduate certificate programs in addition to continuing education courses on evenings and weekends
- Features include four classrooms, computer lab, student lounge area and study spaces
- Direct access to GO Train and public transit.

Whitby campus

- Award-winning Skills Training Centre
- Three-phase construction project at the campus featuring a number of new full-time programs:
- Phase I: focused on renewable energy designed to meet the projected demand for green jobs in Ontario and features rooftop solar panels; wind turbines; geothermal technology systems; classrooms and labs.
- Phase II: expanded shop area for programs focused on green building trades and technology, includes new labs, classrooms and boardrooms; new SA space; renovated student services; and residential labs that demonstrate the many changes happening in the construction and building trades.
- Phase III: the Centre for Food (CFF) designed for students studying in culinary, hospitality, tourism, agricultural and horticultural programs, includes Bistro '67, a full-service, public, green-certified teaching restaurant and lounge; demonstration theatre; three public-viewing kitchens; labs, classrooms and meeting spaces.
- The CFF was created in direct response to the demand of the local culinary, agricultural, hospitality and tourism sectors.

TRANSIT, TRAVEL AND THE U-PASS

The Universal Transit Pass (U-Pass) offers unlimited free use of any Durham Region Transit bus (www.durhamregiontransit.com) or GO Transit buses (www.gotransit.com) operating in Durham Region during the academic year by showing the driver your Campus ID card. The cost is included in your full-time student fees.

Additional benefits include:

- Environmentally friendly way to travel
- No parking fees
- Convenience – every day more than 380 buses enter the bus circle in front of the Gordon Willey building at the Oshawa campus
- Access to bus service in all Durham Region communities
- Connections to express buses to the Scarborough Town Centre and York University (at a reduced cost for students) with stops in Markham and Vaughan
- Durham Region Transit (DRT) Pulse 900 route operating between DRT's downtown Oshawa terminal and the bus terminal at University of Toronto's Scarborough Campus
- DRT Route 910, connecting the Durham College/UOIT campus with the Whitby GO Station (via Trent University).

“Durham College is different among other colleges for being creative and innovative, a multicultural place to gain Canadian knowledge and experience. It also offers sophisticated laboratory facilities and training for our professional careers. I was encouraged to be a member of different organizations and groups on campus. It’s motivating when we are allowed to volunteer, express our views and exchange ideas with students from around the world. The spirit of co-operation from professors and competitive environment on campus encourages us to interact, brainstorm and accomplish in careers.”

Ashrith Katukuri, graduate,
Pharmaceutical and Food Science Technology (compressed, fast-track)
Class of 2011
