

Interior Residential Construction Techniques - Micro-credential

Program of Study 2023/2024

- Students starting in the 2023/2024 academic year (Sept. - Aug.) must follow the Program of Study shown below
- This Program began in the 2023/2024 academic year. Please contact Professional and Part-time Learning at 905-721-3052 or ppl@durhamcollege.ca if you have any questions.
- A digital badge will be awarded upon successful completion of this micro-credential. After completing all 3 courses you must notify us via email pplbadges@durhamcollege.ca. Once verified we will issue you the digital badge.
- Not all courses are available every semester. Please visit the [Program webpage](#) to view current course availability.
- Tip: Monitor your progress by entering your marks and completion dates in the column provided below
