

Joint Health and Safety Committee - Durham College Micro-credential

Program of Study 2022/2023

- Students starting in the 2022/2023 academic year (September - August) must follow the Program of Study shown below.
- If you began your studies prior to the 2022/2023 academic year, please contact Professional and Part-time Learning at 905-721-3052 or ppl@durhamcollege.ca to obtain the Program of Study that applies to your start date.
- A digital badge will be awarded upon successful completion of this program (both modules)
- Tip: Monitor your progress by entering your marks and completion dates in the column provided below.

Required Courses (suggested sequence of study)					
Course Name	Course Codes		Pre-requisite(s)*	Day School Equivalent	Completion Date & Mark
JHSC Basic Theory (module #1)	Online asynchronous	HLTS 1085	N/A	N/A	
JHSC Hazard-Specific Training (module #2)	Online synchronous		N/A	N/A	

***Courses without a pre-requisite(s) can be taken at anytime during your Program of Study**
